SAFETY DATA SHEET

PRODUCTS RELATED TO THIS MSDS

COATING OF STAINLESS STEEL AND NICKEL TITANIUM ARCHWIRE

IDENTIFICATION OF THE MATERIAL

Chemical Nature, Sales Name, Use: Epoxy and Acrylic Resin coating Nickel-Base Alloy

CHEMICAL COMPOSITION

Up to 45% of Epoxy Resin
Up To Balance of Acrylic Resin

REACTIVITY

⇒ **Stability and reactivity:** stable and not reactive

SPECIAL PROTECTION INFORMATION

Epoxy and Acrylic Resin coating Nickel-Base Alloys in the form shipped require no special protection for handling. For specific processing, the following should be observed:

FIRE REMOTENESS REQUIREMENT: General-Recommended.

SPECIAL PRECAUTIONS: Use good housekeeping practices to prevent accumulation of dust, to keep airborne dust wire shards or scrap wire at a minimum. The information set forth on this MSDS is believed to be accurate and represents the best information currently available to SIA Orthodontic Manufacturer. However, SIA Orthodontic Manufacturer makes no representation or warranties regarding the accuracy or completeness of the information and assumes no liability for any loss, damage, cost, or expense that may arise out of the use of, or reliance on the information by any person. Users should make their own investigations to determine the suitability of the information for their particular purpose.

FIRST AID MEASURES

Inhalation: Use local ventilation and/or respiratory protective equipment to limit exposure to airborne dusts.

Skin contact: Exposure or repeated contact may irritate the skin. Avoid frequent and prolonged contact. Wash with soap and water.

Ingestion: if large amount is swallowed, get medical attention.

Eyes: Flush eyes with water.

ORTHODONTIC MANUFACTURER SIA SRL

Sede Legale: Via Aristide Leonori,113 - 00147 Roma **Uffici e Stabilimento:** Zona Ind.le snc - 81050 Rocca d'Evandro (CE) Italy

SAFETY DATA SHEET

FIRE FIGHTING MEASURES:

Flash point: N/A Flammable limits: Upper explosive limit (uel)% : N/A Lower explosive limit (lel) (%): N/A Extinguishing media: In finish form, parts are not combustible Special fire fighting procedures: None

HAZARDS IDENTIFICATION

Information on toxicity: Product tested for bio-compatibility with results concluding negative toxicological reaction. Although Epoxy and Acrylic Resin coatings do not constitute a physical or health hazard in the form sold, subsequent operations such as abrading, cutting or processing in any other fashion may produce potentially hazardous dust or fragments which can be inhaled, swallowed, or come into contact with skin or eyes.

CAUTION: The product may be sterilized by autoclave, and to be used from professional personnel only. *If a patient reaction is suspected, contact a physician.*

TOXICOLOGICAL INFORMATION: None

ECOLOGICAL INFORMATION: None

SPILL OR LEAK PROCEDURE STEP TO BE TAKEN IN CASE MATERIAL IS LEAKED OR SPILLED: Fine material should be swept or vacuumed. Avoid using compressed air to maneuver spills or leaks of dusty material as this may likely cause eye contamination.

DISPOSAL CONSIDERATION: Dispose of in accordance with applicable federal, state, and local regulations. **NOTE:** TREAT USED ARCHES AS BIOHAZARDOUS WASTE.

REGULATORY INFORMATION

⇒ **Hazardous:** Nitinol and Nitinol alloys are not hazardous.

FURTHER INFORMATION

⇒ **General information:** The information contained herein is based on the present state of our knowledge and is intended to describe our products from the point of view of safety requirements. Therefore, it should not be construed as guaranteeing specific properties.
